

NATIONAL BALLPARK MUSEUM'S MISSION STATEMENT

National Pastime: The Fountain of Youth!

Nothing keeps us young quite like baseball. It's innocent and simple. We relight baseball's torch for America's youth, through educational, historical and inspirational experiences of "Our Game". Baseball has always been and always will be our National Pastime! Youth cannot appreciate the present without knowledge of the past. Baseball mirrors like nothing else our founding father's American values and ideals: democracy, equality, orderliness, fairness, accountability, individuals working collectively, and most of all, HOPE!

Like a ballpark's bright light standards shine on the timeless game; National Ballpark Museum's mission is to keep baseball's flame glowing for America's youth, the future of our National Pastime!
